DSMCA-15A

15 AMP MC4 TYPE FUSE CONNECTOR

USER MANUAL

Due to continuous improvement of the product, specifications are subject to change without notice.

INTRODUCTION

Congratulations on your purchase! This manual includes information about the **DSMCA-15A 15 AMP MC4 TYPE FUSE CONNECTOR**. We encourage you to take a few minutes to read this manual, which describes the product and includes step-by-step instructions to help you to set up and get started. Read and understand all the safety instructions before using your product. If you have any questions about this product, the installation or operation, please contact your retailer or customer service.

FEATURES

This product has a 15A fuse embedded into a waterproof fuse holder. It features a Male and Female connector lead on each end, making it compatible for use with an Adaptor Kit and solar panel leads. This Fuse Holder is designed to provide complete single circuit protection to your solar power array. The fuses prevent large currents from damaging the solar panels.

- Rated for 1,000 volts DC and 15 Amps
- Designed to work-with an adaptor kit and solar panel leads
- Auto-lock male and female points ensure secure connection

INSTALLATION

LIMITED WARRANTY

Driven warrants any products purchased in the U.S.A. from an authorized Driven dealer.

All Products are warranted to be free from defects in material and workmanship under normal use and service for a period of one (1) year. This warranty applies to the original purchase only.

Driven will either repair or replace (at its own discretion) any unit that has been found to be defective and under warranty provided the defect occurs within the one (1) year warranty period.

This limited warranty does not extend to units that have been subjected to misuse, abuse, neglect, or accident. In Driven's judgment, products that show evidence of having been altered, modified, or serviced without Driven's authorization, will be ineligible under this warranty.

To Obtain warranty service please contact your retailer or visit our website at www.drivenelectronics.com
